WHEREAS Assignor owns certain invention(s) set forth in the attached Table A, for which one or more patents have been applied for and/or granted (the "Patent(s)");

WHEREAS Assignor has adopted and used, and has continuously used, or has a bona fide intention to use the trademarks set forth and described in Table B in intrastate and interstate commerce on or in connection with the identified goods and/or services set forth on the said Table B (the "Marks"). The Marks reflect and symbolize the considerable goodwill of the Assignor with respect to its business of selling and offering for sale the various goods and/or services identified by said Marks.

WHEREAS Assignor now desires to assign to Assignee, and Assignee desires to receive from Assignor, all of Assignor's right, title, and interest in and to the said invention(s), said Patent(s), and said Marks, together with all Assignor's goodwill associated with the Marks and symbolized thereby.

NOW, THEREFORE, TO ALL WHOM IT MAY CONCERN:

Be it known that for good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, Assignor does hereby sell, assign, transfer and convey to Assignee Assignor's entire right, title and interest to said invention(s), and said Patent(s) and any continuation, continuation-in-part, division, renewal, substitute or reissue thereof, or any other United States or foreign-filed applications or Letters Patent to be obtained for said invention(s) and/or claiming priority to said Patent(s), for the full term or terms for which the same may be granted, including any rights of Assignor to sue and collect for all past, present and future infringements thereof.

Assignor does hereby sell, assign, transfer, and convey to Assignee Assignor's entire right, title, and interest throughout the world in and to the said Marks and any and all rights to any registrations thereof or applications for registrations thereof which may now or hereafter exist, together with all of Assignor's goodwill associated therewith and symbolized thereby.

The said sale, transfer, assignment, and conveyance of the Marks includes (i) all the goodwill of the business of Assignor associated with and symbolized by the said Marks; (ii) Assignor's ongoing and existing business, or portion thereof, to which the Marks pertain; and (iii) all of Assignor's claims (if any) to recover for any infringement or other violation of rights in or to the Marks, whether such infringement or violation occurs in the future or has occurred in the past. This right includes the right to sue for injunctive relief and monetary damages and to recover attorney's fees for its own account and benefit and with no right of accounting to Assignor. Assignor agrees to cooperate with Assignee in any such action, at Assignee's expense.

Assignor agrees to execute and deliver all instruments and documents and to do all other reasonable acts appropriate to perfect in Assignee clear title to said Patent(s) and said Marks and the rights transferred hereunder.

Assignee is authorized to communicate with the United States Patent and Trademark Office (the "USPTO"), and the USPTO is authorized to receive and act upon all instructions, communications, correspondence, or other information sent or provided by Assignee to the same extent as if this Assignment had not been made and such item had been received from Assignor. Assignor hereby grants the following individuals, or any other authorized agents of Assignee, the power to insert on this Assignment any further identification which may be necessary or desirable in order to comply with the rules of the United States Patent and Trademark Office, or any other U.S. or foreign agency, for recordation of this document:
